

Hello Everyone - Here are some online course suggestions:

## Online Courses from Empower

All Empower courses are listed [HERE](#).

If you would like Registry credit, enroll in the Empower courses through the [Registry](#).

## Maricopa County Online Trainings

Maricopa County Child Care Health Consultants have online trainings available [online](#) or through the Arizona Workforce [Registry](#).

To enroll through the registry:

Go to the [AZ Workforce Registry website](#)

Click on “**Find a Training Event**” on the Left side.

Click on “**Select a Search Category**”

Scroll to “**Sponsor Name**” and under Enter Search Criteria, Scroll to “**Maricopa County CCHC**”.

Click Search and all of our online trainings and community trainings come up together.

## Better Kid Care Online Courses

[Better Kid Care](#) from Penn State Extension has online courses on demand. All lessons meet child care professional development requirements from Arizona Child Care Licensing. Many are offered in English and Spanish. Check out the [Health, Safety and Nutrition](#) topics!

## Sesame Street in Communities

Arizona PBS has interactive [courses](#) and [webinar](#) bundles that can be taken through their website or the Arizona Early Childhood Workforce **Registry**. Watch this short [webinar](#) to learn how to sign up on the Registry. Email [Kathy Evans](#) with any questions about the courses or Registry credit.

## Trainings on Hot Topics in CACFP Meal Service

Enroll in upcoming webinars and watch recorded webinars to provide high-quality meals in the CACFP:

[CACFP Halftime: Thirty on Thursdays Webinar Series](#)

[Trainers' Circle Webinar Series](#)

## [CDC Watch Me! Celebrating Milestones and Sharing Concerns Online Course](#)

This 1-hour, 4-module course focuses on:

- Why monitoring children’s development is important

- Why you have a unique and important role in developmental monitoring
- How to easily monitor each child's developmental milestones
- How to talk with parents about their child's development

## American Academy of Pediatrics Online Learning Modules

Healthy Futures:

<https://www.aap.org/en-us/advocacy-and-policy/aap-health-initiatives/healthy-child-care/Pages/Healthy-Futures.aspx>

- Preventing and Managing Infectious Diseases in Early Education and Child Care (Bug Busting in Early Care and Education Settings)
- Medication Administration in Early Education and Child care
- Safety and Injury Prevention in Early Education and Child Care

Stay well,  
Emily
